

DISINFECTANT DEODORANT CLEANERS

Commercial Grade Disinfectant Deodorant Cleaners:

Recommended for all disinfecting and cleaning situations where a pleasant perfume is required after use. Can be used in homes, rubbish bins, garbage compactors, public amenities, washrooms, floors, hotel bars and many more. Great value for your dollars spent and excellent break down rates.

Hospital Grade One Step Germicidal Cleaner and Deodorant:

A multi-purpose germicidal detergent effective in the presence of a moderate amount of organic soil.

Disinfects, cleans and deodorises in one labour saving step. Ideal for hospitals, nursing homes, schools, office buildings, hotels/motels, general business and homes. Cleans, disinfects and deodorises. Excellent value with high breakdown ratios.
